

Thule WingBar Edge Roof Railing

9581-9585

THULE
SWEDEN

» **The most safe and silent roof rack. Now in low fit.**

The low profile and close fit to the roof creates a stunning look

WingBar Edge is smoothly arched for a slim fit

Double molded plastic caps for best appearance and easy fitting

Superior safety thanks to the torque key

- The low profile and close fit to the roof creates a stunning look, also making it safer when driving under low passages.
- Double molded plastic caps for best appearance and easy fitting.
- Thule WingBar Edge is smoothly arched for a slim fit.
- Easy handling with the pre-assembled system and integrated foot (complete pack).
- Universal fit by the use of telescopic feet (50 mm/side).
- Theft protected by the steel strap technology.
- Superior safety thanks to the torque key.
- The successful Thule WingBar now in new configuration, using airplane technology to minimize noise and fuel consumption.
- City crash approved for 75 kg according to ISO-norm.
