

# Thule WingBar Edge Fixpoint & Flush Railing

9591-9595

› The most safe and silent roof rack. Now in low fit.

The low profile and close fit to the roof creates a stunning look

WingBar Edge is smoothly arched for a slim fit

Double molded plastic caps for best appearance and easy fitting

Fit existing Thule Rapid System 753-kit

- The low profile and close fit to the roof creates a stunning look, also making it safer when driving under low passages.
- Thule WingBar Edge is smoothly arched for a slim fit.
- Universal fit by the use of telescopic feet (50 mm/side).
- City crash approved for 75 kg according to ISO-norm.
- Double molded plastic caps for best appearance and easy fitting.
- Easy handling with the pre-assembled system and integrated foot.
- Use existing Thule Rapid 753 kit System for perfect fit (2-pack)
- The successful Thule WingBar now in new configuration, using airplane technology to minimize noise and fuel consumption.
